

Compound Sentences Worksheet: Getting Back to Nature

Part 1: Read and Notice

Read the sentences below (adapted from the passage):

Builders used wood and mud to build the walls.

There are skylights in the roof, so we save electricity.

We don't use electric lights during the day, and we don't use chemicals.

You can walk in the mountains, or you can go boating on the lake.

👉 Question:

Which of these are compound sentences? Circle them.

Part 2: Combine the Sentences

Join each pair using and, so, or, because.

1. The cabins use skylights. We save electricity.

2. We don't use chemicals. We want to protect the environment.

3. You can walk in the mountains. You can visit the caves.

4. The cabins are eco-friendly. They are comfortable

Part 3: Choose the Correct Connector

Choose the best word (and / so / or / because).

The builders used natural materials _____ they care about the environment.

You can go hiking, _____ you can go boating.

There are skylights, _____ the cabins are bright during the day.

The cabins are beautiful, _____ they are also environmentally friendly.

Part 4: Match and Make Compound Sentences

Match the sentence halves and write the full compound sentence.

There was a lot of litter near the lake ___

It's good to use alternative energy ___

He walks to the cabin ___

We grow our own vegetables ___

There is a skylight in the roof ___

- a. because it's healthy and cheap
- b. so we decided to pick it up
- c. because cars pollute the environment
- d. so the room is bright during the day
- e. because it doesn't harm the environment

Part 5: Write Your Own

Write 3 compound sentences about nature or vacations. Use different connectors.

Rewrite this as a compound sentence:

"We enjoy nature. We want to protect it."
